

7803 Glenroy Road, Suite #200

Bloomington, MN 55439

## DESCRIPTION

**Job Title:** Senior Project Architect

### Company Description

As one of the fastest-growing real estate and construction companies in the Upper Midwest, Doran Companies prides itself on our quality of work, our dedication to clients, and our breadth of experience. Whether it's a historic renovation, a large scale shopping center, or a modern airplane hangar, our standard for excellence never wavers. Though hard work, integrity, and dedication to clients we have created repeat customers, been recognized numerous times, and developed strong relationships with the communities in which we work. Doran Companies is proud to present this portfolio of representative projects across market segments and locations.

### Position Description

Be an integral part of developing projects through all phases from initial design concepts to design development, contract development, and construction phase, through completion. Effectively communicate and manage relationships with our development and construction divisions, suppliers, contractors, vendors, engineers and other municipal representatives in order to achieve established goals for the project

### Qualifications

- 15-20 years experience
- Professional degree in Architecture
- Licensed
- Ability to lead project(s) and provide direction and mentorship to the architectural team
- Proficient in Revit and Sketchup
- Work history in multi-family housing
- Proficient in site planning and concept design
- Talent in design skills
- Talent with graphic presentation
- Technically competent in construction documentation and detailing
- Performing construction administration
- Well-developed knowledge of Buildings Codes
- Knowledge of product specification methods

- Working knowledge of engineering systems and the ability to communicate with other design disciplines
- Skilled in presenting to City leaders
- Professional verbal communication and writing skills
- Familiar with AIA contracts and forms
